SEAL OF THE GOVERNOR
SECRETARY TO THE GOVERNOR

PROCLAMATION BY THE GOVERNOR OF TEXAS vetoing and disapproving certain items in Senate Bill No. 140, enacted at the 2nd called session of the 26th Legislature, which is an Act making appropriations for the State Government for two years beginning September 1, 1919, and ending August 31, 1921, and for other purposes, and prescribing certain regulations and restrictions in respect thereto.

The item of \$11,500 to paint, sand and repair outside of and off of dome of Capitol building is disapproved because it is deemed best to withhold such improvement until the Capitol may be overhauled and entirely remodelled within, which I trust may be accomplished in the not distant future.

The appropriation of \$10,000 for each year for railroad transportation of members, officials and employes of the Livestock Sanitary Commission is disapproved because general expenses for each of these is covered in other items and railroad transportation may be included in same.

ALL OF SAID ITEMS BEING DISAPPROVED AND VETOED on the various pages of Senate Bill No. 140, as indicated therein, this the 11th day of August, 1919.

Governor of Texas.
